

**Corrigendum to Report No. 9/2018 Performance Audit – ACT Health’s  
Management of Allegations of Misconduct and Complaints about  
Inappropriate Workplace Behaviour**

Add a new paragraph, paragraph 1.59(a), after 1.59 and before 1.60:

1.59(a) In relation to the former Director-General’s advice, which is included in paragraph 1.59, the Minister for Health and Wellbeing advised the Audit Office on 3 August 2018:

I wish to draw to your attention that, to the best of my knowledge, the assertion that the former Director-General advised the Government of [their] intended departure two weeks prior to 23 March 2018 (ie. 9 March 2018) is not correct and the correct date is 16 March 2018.
